

Mars A.L.P.O. Albedo Map

A new map of Mars based upon Dan Troiani's 1995 map of Mars based on A.L.P.O. observations (including CCD images). Added are the names of the major albedo features as well as those of minor albedo features which are often reported.

This map is Copyright © 1997 by Carlos E. Hernandez and Daniel M. Troiani. If you have comments or suggestions about this map, or wish to use it in any publication, or for personal use, please contact the authors at:
